MISSION STATEMENT
The Mission of the Yonkers Community Action Program (YCAP) is to engage and empower the residents of Yonkers by providing resources and services that improve health, education, and employment outcomes as well as support economic self-sufficiency and poverty reduction.

ABOUT YCAP
YCAP is a private non-profit corporation designated as an anti-poverty agency under the 1964 Economic Opportunity Act. YCAP was founded in 1965 as the community action agency in Yonkers, New York.

YCAP’s role is to work with residents and partners to address the needs of low-income individuals, families and neighborhoods. The basic approach to accomplishing this broad objective is through community empowerment.

YCAP’s Governance Structure consists of an Executive Director, Deputy Director, Administrative Assistant, two program specialists, 12 Board members, and 20+ volunteers per year contributing over 400+ hours.

YCAP has partnered and collaborated with over 50 other Nonprofits.
